

The City of
Fort Myers, Florida

Proclamation

Whereas, window film aids in the savings of significant energy in the City of Fort Myers; and

Whereas, window film provides a more safe and secure environment for home owners, public buildings, and retail establishments; and

Whereas, window film helps to screen out dangerous solar rays from impacting the health of commercial drivers to help protect them from skin cancer and their eyes from solar glare; and

Whereas, window film has been proven to be one of the most cost-effective means of reducing our carbon footprint; and

Whereas, window film is installed by dozens of small businesses in the City offering significant economic benefits at all levels from employment to energy savings to improved health to the reduction of our carbon footprint; and

Whereas, the citizens and business owners should have more awareness of the many benefits that window film offers; and

Whereas, the window film industry is committed to the education of the public about all of the benefits of window film through a nonprofit trade association known as the International Window Film Association.

Now, Therefore, I, Randall P. Henderson, Jr., by virtue of the authority vested in me as Mayor of the City of Fort Myers, Florida, do hereby proclaim April 30, 2016, as

National Window Film Day

in Fort Myers and encourage all citizens to recognize the contributions of those citizens who manufacture, distribute, and install window film and also the industry association that educates the public about the many benefits of window film.

In Witness thereof, I have hereunto set my hand and the Great Seal of the City of Fort Myers, Florida, on this 18th day of April in the Year of our Lord Two Thousand and Sixteen.

Randall P. Henderson, Jr.
Mayor
